

# 2009 DinoMights Annual Fundraiser Sponsorship Packet

## Mission:

**DinoMights' Mission is to equip our urban youth to develop Physical, Academic, Social and Spiritual excellence (P.A.S.S).**

DinoMights' unique philosophy is centered on whole life impact and long-term relationships with youth possessing significant unmet needs in the Central, Powderhorn, and Phillips neighborhoods of South Minneapolis. This innovative approach engages students in the community from their early childhood/elementary years through high school graduation, providing them with the opportunities they need to become self-assured, competent adults. Using hockey as an incentive, we provide academic tutoring, mentoring, computer instruction, studies, camping, community service, and various other faith based activities that help fulfill the mission.
